United States Department of Agriculture
Agricultural Economics

CHECKLIST OF REPORTS

Issued by

The Economics Research Service and The Statistical Reporting Service
For April and May 1961

This is the first issue of the checklist of reports issued by the Economic Research Service and the Statistical Reporting Service, Agricultural Economics. Due to reorganization in parts of the Department of Agriculture, some of the work formerly with Agricultural Marketing Service, the Foreign Agricultural Service, and the Agricultural Research Service, is now in the Economic Research Service. The Agricultural Estimates Division (Crop Reporting Board), formerly in Agricultural Marketing Service, is now a part of the Statistical Reporting Service.

ECONOMIC RESEARCH SERVICE
Economic and Statistical Analysis Division

Agriculture Information Bulletins

☐ 238: The Hired Farm Working Force of 1959. April 1961.

Reports Containing Historical Series or Revised Statistics:

(All readers of this Checklist have received AMS-48, Periodic Reports of the Agricultural Marketing Service, and 1961 Crop and Livestock Reports, Content of Reports and Dates of Release. Periodic reports included in those listings are usually not listed in this monthly checklist. However, since some of the statistics for recent years are being revised this year on the basis of the 1960 Census of Agriculture, we will list each month those periodic reports that contain historical series. See listings under Statistical Bulletins for other reports containing revised statistics.)
